**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My name is Morris Carey. I once used Comcast for my internet service. I was charged over \$100. Per month for 100 megabit service I switched to Sonic and now I have 1000 megabit service for \$59. Per month. Please dont destroy this company. So many of us in Northern California have waited so long for competition that would allow us to get out from under the thumb of the Comcast monopoly. Please think of us little guys on a fixed income. I am 72 years old and a veteran of 14 years.

Thanks,

Morris Carey
